

Remember me

INSTABILELAB[®]

ART IN THE WALLPAPER

remember **Me**

remember Me

Ogni viaggio finisce con un ricordo. Questo, invece, inizia con un ricordo. Remember me è la nostra ricerca di un'eleganza senza tempo; sfuggente e potente al tempo stesso, proprio come una rimembranza.

Ogni pagina racconta una dimensione in cui la natura, le forme e il colore si trasformano in qualcos'altro.

Atmosfere in cui ciascuno può trovare qualcosa di familiare, arricchendo ogni spazio con nuove possibilità.

Una fiaba, un sogno, un'emozione da ricordare per sempre.

Every journey ends with a memory. This starts from a memory. Remember Me is our research of a timeless elegance; elusive and powerful at the same time, just like a recollection.

Every page tells us of a dimension where nature, shapes and color turn into something else.

Atmospheres where everyone can find something familiar, enhancing any space with new possibilities.

A fairytale, a dream, an emotion to remember forever.

ABOUT US

Un'azienda veneziana dall'inesauribile creatività, Instabilelab propone la propria personale ed inedita interpretazione della carta da parati rimescolando idee e stili diversi, creando abbina-
menti estetico-concettuali inediti, per dare reale
valore e personalità agli spazi abitativi.

Innumerevoli sono i pattern e le atmosfere che l'azienda presenta anche grazie allo studio di texture e di nuove modalità di impiego e applicazione. Instabilelab, infatti, supera i limiti dell'utilizzo del parato, che progetta in un'ottica di continuum grafico realizzabile attraverso una serie di prodotti e tessuti dedicati a chi vuole realizzare un'atmosfera più che un ambiente.

Non solo creatività ma anche tecnologia: l'azienda ha il know how necessario per riprodurre le sue grafiche su diversi tipi di supporto e per coprire ogni aspetto del living indoor (pareti, soffitti, pavimenti, zone umide, elementi d'arredo, tessuti) e outdoor, grazie all'impiego di rivestimenti resistenti agli agenti atmosferici.

A Venetian company of inexhaustible creativity, Instabilelab presents its own personal and original interpretation of wallpaper, mixing different ideas and styles, creating new aesthetic-conceptual combinations to give real value and personality to living spaces.

The company presents countless patterns and atmospheres, also thanks to the study of textures and new methods of use and application. Instabilelab goes beyond the limits of the use of wallpaper, which it designs with a graphic continuum that can be achieved through a series of products and fabrics dedicated to those who want to create an atmosphere rather than an environment.

Not only creativity but also technology: the company has the necessary know-how to reproduce its graphics on different types of support and to cover every aspect of indoor living (walls, ceilings, floors, wet areas, furnishing elements, fabrics) and outdoor, thanks to the use of weather-resistant coatings.

Nuances. Artistic. Audace.

Remember Me è un viaggio attraverso tre approcci creativi, che rappresentano anche le tre anime di Instabilelab. Un crescendo di sperimentazione che inizia con le forme calde e naturali di Nuances, attraversa l'approccio pittorico di Artistic e culmina con il coraggio stravagante delle grafiche di Audace.

Remember Me is a journey through three creative approaches that represent the three souls of Instabilelab. A climax of experimentation that starts with the natural and warm shapes of Nuances, continues with the pictorial approach of Artistic and culminates with the extravagant bravery of Audace graphics.

NUANCES

Il primo capitolo di Remember Me che celebra il trionfo della leggerezza. Nuances è una sequenza di atmosfere in cui la natura danza con forme morbide e astratte e toni tiepidi. Paesaggi, foglie e fiori diventano un momento di ispirazione e armonia. L'ispirazione e l'armonia che cerchiamo ogni giorno. Nuances.

The first chapter of Remember Me, celebrating the triumph of lightness. Nuances is a sequence of atmospheres where nature dances with soft and abstract shades and warm tones. Landscapes, leaves and flowers become a moment of inspiration and harmony. The inspiration and harmony we look for every day.

ARTISTIC

Una selezione di atmosfere che racconta l'anima artistica di Instabilelab. Ogni spazio è concepito come una tela bianca e ogni motivo come un disegno fatto a mano. Un dipinto in cui l'intuizione è la sola forza creatrice e dà vita a scenari che prendono vita sulle nostre carte da parati.

A selection of atmospheres that tells the artistic soul of Instabilelab. Each space is conceived as a white canvas and each design is created by hand drawing. A painting where intuition is the only creative force and creates scenarios that come to life on our wallpapers.

AUDACE

Il nostro sguardo al futuro. Una ricerca senza fine verso tutto ciò che stupisce. Una selezione di scenari in cui l'unica regola è la sperimentazione, il cuore pulsante di Instabilelab. Fantasie ironiche e stupefacenti, dai colori forti, così come il loro carattere. Parola d'ordine? Mai passare inosservati.

Our look to the future. A never-ending search for everything that amazes. A selection of scenarios where the only rule is Experimentation; the core of Instabilelab. Ironic and astonishing atmospheres in strong colors, just like their character. For those who don't like to go unnoticed.
