AVENUE

Esiste una sola e unica strada giusta da seguire?

La vita ci pone continuamente di fronte a scelte che vanno in direzioni simili, diverse o addirittura opposte. Una strada presa porta con sé le considerazioni e le emozioni di quel momento e a distanza di tempo non sarà mai né totalmente giusta né totalmente sbagliata. Strade, sentieri, vie sono da guardare come possibilità per modificare la propria rotta, scegliendo in qualunque momento di intraprendere un percorso alternativo o di adottare un nuovo stile. Come cambiamo noi così possono cambiare anche le nostre strade.

'Avenue' rappresenta i nostri nuovi percorsi, visioni che si snodano in idee e stili creativi tutti da esplorare.

Is there one and only one right path to follow?

Life constantly confronts us with choices that go in similar, different or even opposite directions. A road taken carries with it the considerations and emotions of that moment and at a distance will never be either totally right or totally wrong. Roads, paths, routes are to be looked at as possibilities to change one's course, choosing at any time to take an alternative path or adopt a new style. As we change so can our roads.

'Avenue' represents our new paths, visions that unfold in creative ideas and styles all to be explored.

ABOUT US

Un'azienda veneziana dall'inesauribile creatività, Instabilelab propone la propria personale ed inedita interpretazione della carta da parati rimescolando idee e stili diversi, creando abbinamenti estetico-concettuali inediti, per dare reale valore e personalità agli spazi abitativi.

Innumerevoli sono i pattern e le atmosfere che l'azienda presenta anche grazie allo studio di texture e di nuove modalità di impiego e applicazione. Instabilelab, infatti, supera i limiti dell'utilizzo del parato, che progetta in un'ottica di continuum grafico realizzabile attraverso una serie di prodotti e tessuti dedicati a chi vuole realizzare un'atmosfera più che un ambiente.

Non solo creatività ma anche tecnologia: l'azienda ha il know how necessario per riprodurre le sue grafiche su diversi tipi di supporto e per coprire ogni aspetto del living indoor (pareti, soffitti, pavimenti, zone umide, elementi d'arredo, tessuti) e outdoor, grazie all'impiego di rivestimenti murali resistenti agli agenti atmosferici.

A Venetian company of inexhaustible creativity, Instabilelab presents its own personal and original interpretation of wallpaper, mixing different ideas and styles, creating new aesthetic-conceptual combinations to give real value and personality to living spaces.

The company presents countless patterns and atmospheres, also thanks to the study of textures and new methods of use and application.

Instabilelab goes beyond the limits of the use of wallpaper, which it designs with a graphic continuum that can be achieved through a series of products and fabrics dedicated to those who want to create an atmosphere rather than an environment.

Not only creativity but also technology: the company has the necessary know-how to reproduce its graphics on different types of support and to cover every aspect of indoor living (walls, ceilings, floors, wet areas, furnishing elements, fabrics) and outdoor, thanks to the use of weather-resistant wallcovering.

Nuances. Artistic. Audace. Monochrome.

'Avenue' è un viaggio attraverso tre approcci creativi, che rappresentano anche le tre anime di Instabilelab.

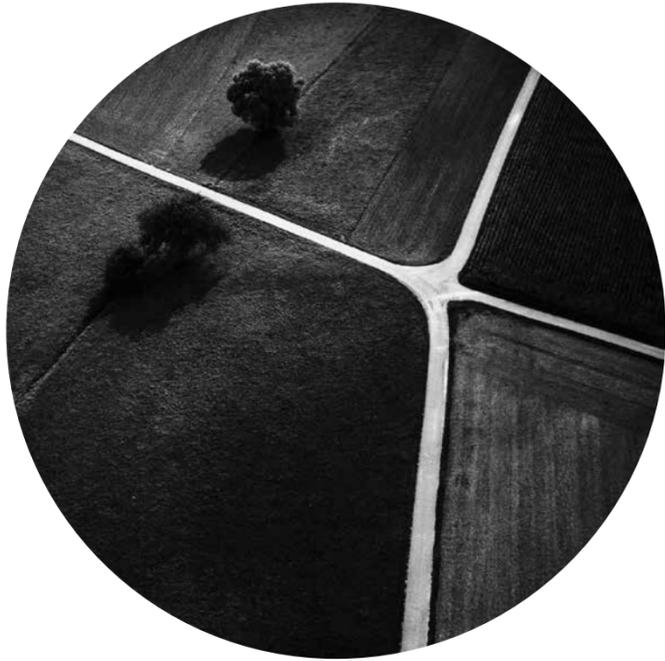

Un crescendo di sperimentazione che inizia con le forme calde e naturali di Nuances, attraversa l'approccio pittorico di Artistic e culmina con il coraggio stravagante delle grafiche di Audace.

A questi stili si aggiunge Monochrome, l'elegante proposta grafica che gioca tra toni e profondità.

'Avenue' is a journey through three creative approaches that represent the three souls of Instabilelab.

A climax of experimentation that starts with the natural and warm shapes of Nuances, continues with the pictorial approach of Artistic and culminates with the extravagant bravery of Audace graphics.

Added to these styles is Monochrome, the elegant graphic proposal that plays with tone and depth.
